**AGREEMENT
2019-2021**

This Agreement between the Board of Trustees for the Nebraska State Colleges acting on its own behalf and through its agents (hereinafter referred to as the Board) and the State College Education Association (hereinafter referred to as SCEA) is for the purpose of establishing mutually acceptable procedures, practices, and conditions regarding rates of pay, hours of work, and conditions of employment to be observed by the parties to this Agreement on the three state college campuses regarding the bargaining unit hereinafter described.

**ARTICLE I.
RECOGNITION**

Section 1.1 Unit Membership

The Board recognizes the SCEA as the exclusive bargaining agent for all ranked faculty employees on specific term appointments employed full time by the Board of Trustees of the Nebraska State Colleges, who perform teaching duties at the three state colleges located at Chadron, Peru and Wayne, Nebraska, including department chairs (hereinafter referred to as faculty members). Deans, employees on special appointments (including non-ranked faculty, temporary or interim appointments, part time appointments and appointments supported by funds over which the Board does not have control or which the Board cannot reasonably expect to continue indefinitely), and all other professional and support staff employees are not included in the bargaining unit.

Full time (at least .75 FTE) faculty special appointments will be limited to three (3) academic years.

Section 1.2 Exclusive Contract

The Board agrees that it will not sign any contract, make any written agreement, or recognize any other employee representative for the faculty members during the term of this Agreement.

**ARTICLE II.
NONDISCRIMINATION AND WORKPLACE ENVIRONMENT**

The Board and SCEA fully agree that employment and institutional policies will be applied fairly and equitably. Neither preference nor discrimination shall be shown by either the Board or SCEA for or against any member in regard to race, color, national origin, age, sex, sexual orientation, gender identity, religion, disability, or affiliation or non-affiliation with SCEA all as provided by law. The parties to the Agreement further agree that no employment or educational policy shall be discriminatory on the basis of individual characteristics other than quality of performance of duties, and conduct in regard to employment as required by the terms of this Agreement, with Board

policies and rules, and with applicable laws.

The Nebraska State Colleges are equal opportunity institutions and do not discriminate against any student, employee or applicant on the basis of race, color, national origin, sex, sexual orientation, gender identity, disability, religion, or age in employment and education opportunities, including but not limited to admission decisions. Each College has designated an individual to coordinate the College's nondiscrimination efforts to comply with regulations implementing Title II of the Americans with Disabilities Act, Titles VI and VII of the Civil Rights Act, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act. Inquiries regarding non-discrimination policies and practices may be directed to the Compliance Coordinators assigned at each College and identified on each college website.

The Board is committed to providing a workplace environment free of unlawful harassment and/or discrimination in accordance with applicable federal and state laws. Unlawful harassment or discrimination of employees in regard to race, color, national origin, age, sex, sexual orientation, gender identity, religion, disability is prohibited. Unlawful harassment includes, without limitation, verbal harassment (derogatory comments and/or slurs, negative stereotyping, intimidating behavior), physical harassment (assault or physical interference), visual harassment (posters, cartoons, drawings, or improper written or graphic material), and innuendo.

If any faculty member has reason to believe that he or she has been unlawfully harassed and/or discriminated against, that faculty member should report the violation to a Dean, the Human Resources Director/AVP, or a Vice President. Faculty members who feel an immediate threat may contact Campus Security. If the reporting faculty member feels that the report does not achieve satisfactory results, a second report should be made to another administrator. All reports shall be promptly and thoroughly investigated.

ARTICLE III. STATEMENT ON ACADEMIC FREEDOM

Concepts of academic freedom are based on the current AAUP Statement of Principles and Interpretive Comments on Academic Freedom and Tenure ("Statement"). The Statement, however, is not incorporated herein by reference.

ARTICLE IV. INTELLECTUAL PROPERTY RIGHTS

Section 4.1 Conditions

Faculty members shall retain all copyright and intellectual property rights when course materials are created, updated, or modified when the three following conditions are met:

- a) The works reflect research or creativity which within the State College System are defined as traditional works of scholarship and are considered as evidence of professional advancement or

accomplishment. Traditional works of scholarship include instructional materials (i.e., lectures, lecture notes, study guides, etc.) journal articles, research bulletins, monographs, books, textbooks, lab notebooks, research files, CD's, software, plays, poems, film and artistic works, as long as the works do not involve substantial use of college resources.

- b) The faculty member has not voluntarily transferred the copyright, or intellectual property right in whole or part, to the Board through a signed written instrument.
- c) The faculty member did not receive specific compensation in exchange for developing the work, the terms of such specific compensation communicated in writing.

Faculty members may be compensated for course revisions pursuant to a signed written instrument.

Section 4.2 Materials Not Courses

Faculty do not have intellectual property rights to individual courses or to the curriculum as a whole, but only to self-developed instructional materials used in the development of the course. Faculty members will provide grading information upon appropriate request.

ARTICLE V. PROGRAM AND WORKING CONDITIONS

Section 5.1 Contract Period

The contract period extends from one (1) business day prior to the first day of classes of the Fall semester until the completion of the final examination period and commencement ceremonies of the Spring semester or the period of time necessary for faculty members to turn in final grades and required year-end reports, whichever is later. New faculty may be requested to report one (1) day prior to the start date for returning faculty.

Section 5.2 Faculty Load

5.2.1 Academic Year Appointments

During an academic year appointment, faculty members shall be assigned no more than a thirty (30) credit hour adjusted workload. The usual and customary instructional workload will be twenty-four (24) adjusted credit hours per academic year contract except as may otherwise be required by appropriate College accrediting bodies (recognized by the United States Department of Education or the Council for Higher Education Accreditation) or applicable state regulations.

An instructional workload range of 11-13 credit hours may be assigned per

semester. Upon mutual agreement of the faculty member and Dean, instructional hours can be assigned during the fall and spring semesters in excess of 13 credit hours without triggering overload obligations. Such agreement shall be documented in writing.

Any instructional credit hours above twenty-four (24) will receive overload compensation per Section 10.6. Instructional loads with fewer than twenty-four (24) credit hours will be assigned additional duties. The balance of the thirty (30) credit hour workload will be credited to scholarly and service activities.

5.2.2 Workload Adjustments

Reasonable workload adjustments may be made at the discretion of the Board or its designee to take into account scholarly activity for graduate instruction, laboratory courses, private or group music lessons, studio or drama courses, student teacher supervision, coaching duties and/or other out-of-classroom instructional activities. Any instructional hours assigned above the prescribed instructional hours will be considered an overload and will qualify for overload.

Existing workload adjustment practices will remain in place at each College, unless revised adjustments are agreed upon by SCEA and the Board.

5.2.3 Notice of Teaching Assignments

In order to facilitate adequate planning, faculty members will be notified by their Dean as soon as possible of teaching assignments for the semester, but no later than August 1 for fall semester and December 15 for spring semester unless exceptional circumstances exist that prevent meeting those deadlines.

5.2.4 Directed Study, and Independent Study

Directed study, and independent study assignments will be offered with the approval of the faculty member and at the Dean's discretion. Faculty teaching directed study, and independent study courses will be compensated at the rate of two-thirds (2/3) tuition assessed for each enrolled student. Such courses are not eligible for instructional workload adjustment.

Section 5.3 Advising

All faculty members are responsible for providing academic advising to students. No faculty member will be assigned more than fifty (50) undergraduate and graduate student advisees as adjusted for the number of undeclared students. Faculty members may by mutual agreement with the Dean agree to be assigned more than fifty (50) advisees.

In order to facilitate student advising, each faculty member will announce on the first day of each semester, in accordance with the prescribed number of office

hours required and in consultation with the Dean, the specific hours each week he or she will be available for scheduled or drop in appointments.

Section 5.4 Online and Interactive Distance Learning Courses

Faculty members who are assigned to teach online courses and interactive distance learning courses, for the first time, will be provided notification as soon as possible but no later than August 1 for fall semester and December 15 for spring semester unless exceptional circumstances exist that prevent meeting these deadlines, as well as, prior training in the operation of the technical equipment to be used for such courses. Resources such as hardware and software necessary to design and deliver the course will be provided to faculty members. Technical and pedagogical assistance in the preparation of materials for interactive distance learning and online courses will be provided. Logistical support will be provided for distribution of instructional materials and testing at each remote site for interactive distance learning courses.

Faculty teaching via interactive distance learning will receive incentive pay for a three (3) credit hour course at the rate of \$250 per remote site. The number of remote sites shall be limited to no more than three per course. Any exception to this limit must be approved by the appropriate Dean in consultation with the faculty member. Incentive pay for interactive distance learning courses which are either less than or more than three (3) credit hours will be in proportion to this rate.

Online course enrollments will be capped at thirty (30) students per course. If the course enrollment exceeds thirty (30) students, the faculty teaching the course will receive the equivalent of two-thirds (2/3) in-state tuition per student above the enrollment cap. For the purpose of this Agreement, an online course is defined as one where seventy-five percent (75%) or more of the instruction is delivered via internet.

No video/audio tapes of distance learning classes shall be used after completion of the semester without the faculty member's approval, which shall not unreasonably be withheld.

Online and interactive distance learning courses taught will be treated as are all other courses with regard to load and evaluation, except that evaluation strategies and instruments will recognize the non-traditional character of such courses.

Any new online course or distance learning course offered shall first follow customary approval procedures established by the College, which shall include initial approval for the development of such course by the appropriate Dean.

No approved Internet course designed and created by a faculty member without compensation may be conducted by any other person without the consent of the faculty member who created the course, which consent shall not be unreasonably

withheld or delayed. If the faculty member gives consent, the faculty member and institution will enter into a compensation contract.

Courses developed at the request of the College, as defined by the purchase agreement and for which the faculty member receives additional compensation, are considered a work for hire and the property of the college and does not require the consent of the faculty member to reassign the teaching of the course to another faculty member.

5.4.1 Blended Courses

A blended course is a course which has two groups of students enrolled in the course- online students and students who will receive instruction face to face in the regular classroom. The course has a single syllabus, a common set of assignments, a common schedule and curriculum. Faculty teaching a blended course shall receive incentive pay at a rate of \$250.

Blended course enrollments will be capped at thirty (30) students per blended course counting the total of face to face and online students. If the total course enrollment exceeds thirty (30) students, the faculty member will receive the equivalent of two-thirds (2/3) in-state tuition per student above the enrollment cap.

Section 5.5 Work Terms and Conditions

5.5.1 Office Hours

Office hours on campus are required of all faculty, at least five (5) hours per week for no less than three (3) days per week. Reasonable allowances for office hours may be arranged upon mutual consent between the faculty member and the Dean.

5.5.2 Equipment and Furnishings

The Board shall provide each faculty member reasonable equipment and furnishings necessary to perform assigned duties.

5.5.3 Office Space and Clerical Assistance

Each faculty member shall be provided office space and clerical support from at least an Office Assistant I or equivalent.

5.5.4 Computer Services Support

Faculty members shall be provided computer service for College-approved software and hardware to fulfill their academic and research responsibilities. Computer Services Administration will publish and maintain a list of software for which it will provide technical assistance. Faculty members may not receive support for any other software. In compliance with College procedures, which

require prior disclosure, faculty members may load or have loaded licensed, academic-specific software on their office computers. Approval to load software shall be made in a timely manner and shall not be unreasonably denied. A denial to load software must specify in writing the reasons for such denial. The College will provide wide band network and high speed internet options of speed and connectivity comparable to College standards for specific and legitimate curriculum and research needs. On this alternative system, faculty members may load licensed and academic-specific software and install necessary peripherals as needed.

5.5.5 Computer Services Notification

Reasonable efforts will be made to give faculty members ten (10) business days advanced notice when computer hardware or software is replaced.

5.5.6 Employee Handbook

The employee handbooks, the NSCS Board Policy Manual, and the current Agreement with the SCEA shall be available online.

5.5.7 Teaching at Other Institutions of Higher Education

Faculty members shall not engage in employment at other institutions of higher education during the contract period without permission from the Vice President for Academic Affairs. Such permission must be secured in advance for each employment instance.

ARTICLE VI. PERSONNEL FILES

Section 6.1 Maintenance

The Board shall maintain an official personnel file for each faculty member available through the Human Resources Office with access limited to the President, Human Resources Director/AVP, Vice President of Academic Affairs, Deans and their appropriate staff. Student employees shall not have access to faculty personnel files.

Section 6.2 Confidentiality

Personal information in the personnel file, other than salaries and routine directory information, will be treated in a confidential manner subject to state and federal law.

Copies of employment contracts shall be provided to SCEA upon written consent of the faculty member.

Section 6.3 Contents

The personnel file may include, but not be limited to, the following:

- a) General personnel information and employment contracts;
- b) Academic records;
- c) Personnel actions generated by the Board;
- d) Performance evaluations and memoranda of discussions with the faculty member relating to performance;
- e) Observation reports of the faculty member's performance by supervisors;
- f) Tenure and promotion records; and,
- g) Job application materials including employment applications, resumes, reference letters, and school transcripts.

Section 6.4 Inspection

A faculty member, or SCEA representative whom the faculty member has so designated in writing, has the right to inspect the contents of his or her individual personnel file. Files must be reviewed in the presence of an appropriate administrative officer and may not be removed from the office in which they are located.

Section 6.5 Informed Inclusion

A faculty member shall be given a copy of any document relating to performance and/or conduct when it is placed in his or her personnel file. The faculty member shall have the right to attach written refutation, rebuttal or comment within twenty-five (25) business days.

**ARTICLE VII.
PERFORMANCE EVALUATION**

Section 7.1 Purpose

The performance evaluation process shall be for the purpose of improving instruction, encouraging and supporting professional development, supporting research and supporting service, and providing information necessary, in part, for personnel decisions, including reappointment, promotion, and tenure decisions.

Section 7.2 Criteria Categories

Evaluation shall be consistent with and reflective of the role and mission of the State College System and its emphasis on effective teaching. The criteria categories for evaluation shall be:

- a) Demonstrated ability to teach effectively and to contribute to students' academic growth and development;
- b) Evidence of continuing preparation and study through scholarly and/or creative activities and achievements related to the primary

- area of employment and/or supporting scholarship of teaching and learning; and,
- c) Evidence of service to the college, community, and profession. Evidence of service to the college shall include but not be limited to: good citizenship at the departmental, school, and campus levels, including participation in all aspects of department, school, and campus life; a commitment to responsibly representing the school on committees; and civil and collegial communication with department members and supervisors.

Section 7.3 Evaluation Schedule

Faculty members shall be evaluated by their supervising Dean once each academic year; however, tenured Professors may be evaluated on a less frequent cycle at the discretion of Dean. Faculty members and SCEA shall be informed of changes in the evaluation cycle and documentation requirements in advance of any change being implemented. The evaluation period will be January 1st through December 31st with evaluation materials due to the Dean by January 30th following completion of the evaluation period. Faculty members in their second year of faculty employment will be evaluated prior to December 1st. All evaluation procedures, as described below and concluding with a conference of the Dean and each faculty member, shall be completed prior to April 1st following completion of the evaluation period.

Should the evaluation not be completed on schedule when evaluation materials have been provided in a timely manner, the faculty member shall be deemed to have provided satisfactory performance.

Section 7.4 Evaluation Procedure

Evaluations will be predicated on the criteria categories in 7.2, and their relative importance, professional assignments communicated in writing to the faculty member, and written Faculty Development Plans. Such plans will have annual goals and specific objectives. The Dean and faculty member will prepare the plan which will be included in the individual's personnel file.

In determining progress during an evaluation period, the Dean and faculty members will use student instructional effectiveness surveys as one important index of teaching effectiveness. Student surveys will be conducted in at least two (2) courses taught by the faculty member during each academic year. Faculty may elect to have more than two (2) courses surveyed. Non-tenured faculty may be required to have all courses surveyed. Tenured faculty may be required to have more than two (2) courses surveyed if performance concerns exist and notice regarding the concerns have been communicated in writing to the faculty member. Summaries of the student surveys and comments will be given to the faculty member within thirty (30) business days of the conclusion of the course and a copy will be placed in the personnel file. Without faculty permission, student surveys

and summaries and faculty evaluations will be available only to academic supervisory personnel and their staff. The faculty member may request third party verification of the accuracy of the student surveys' summaries. The third party will be agreed upon by the faculty member and the Dean. Student surveys will be maintained for one semester following the semester in which the surveys were administered, for purposes of such validation. To support the evaluation process, evidence may also be collected from class visitations, monitoring on-line courses with notification, course outlines, tests, quizzes, writing assignments, review sheets, and other relevant sources. The evaluation will not be based on student surveys only.

When an online or interactive distance learning course is evaluated, the quality of teaching and its impact on instructional outcomes will be emphasized apart from any technology variables that may affect instruction. At the end of each evaluation period, the Dean will confer with each faculty member to assess progress and/or complete a formal evaluation. Evaluation forms will include three rating categories for performance - satisfactory, needs improvement and unsatisfactory. Only an overall satisfactory performance designation is eligible for any negotiated annual increase to base salary. Faculty members will provide reasonable documentation and materials which assist in assessing progress made in support of the goals and objectives stated in the professional development plan. The Dean will provide each faculty member a copy of strengths identified and/or improvements required in the individual's performance with recommendations to assist improvement and to reach specific outcomes. Conclusions resulting in changes in the objectives and activities of the professional development plan will be attached to the original plan. In the case of identified areas of concern, a plan for implementation of recommendations with specific outcomes will be created by the Dean in consultation with the faculty member. Such a plan will be signed and attached to the original faculty development plan and evaluation. No overall performance rating of less than "satisfactory," impacting an annual base salary adjustment, can be assigned without prior written notice of administrative concerns and reasonable time to address such concerns. A faculty member may submit written comments or rebuttal on the evaluation within ten (10) business days of receipt. A copy of the evaluation and comments will be placed in the faculty member's personnel file.

All evaluations of probationary tenure-track faculty members will include a discussion of progress toward the awarding of tenure and written recommendations for addressing any deficiencies that may be apparent at the time of the evaluation. Faculty members who serve as departmental chairs will not conduct formal evaluations. Department chairs will serve in a consultative role which may include review of materials and making recommendations, which may include, but not be limited to, evaluations with respect to departmental citizenship or service. Departmental faculty may recommend individuals to the Dean to serve as department chairs.

Evaluations shall not be subject to grievance or hearing procedures except for compliance with the procedures specifically enumerated in this Article. However,

if an evaluation results in the denial of a salary increase, the faculty member may request a conference with the Dean and Academic Vice President for reconsideration, which decision shall be final. The faculty member has the right to have a SCEA representative participate in this meeting.

Quality of performance and conduct regarding employment as required by the terms of this Agreement, Board policies and rules, and applicable laws shall form the sole basis for evaluation of faculty members.

ARTICLE VIII. PROFESSIONAL DEVELOPMENT

Section 8.1 Sabbatical Leave

The purpose of sabbatical leave is to provide an opportunity for faculty members to engage in scholarly, creative, professional, research, or other academic activities that will enhance the faculty member's contribution to the College. Sabbatical leave is an important element in professional development. Tenured faculty members who have been employed as faculty at the College for at least seven (7) consecutive years shall be eligible to apply for sabbatical assignments. Faculty members are not eligible to receive sabbatical assignments more frequently than once every seven (7) years. Each College shall make available at least one (1) sabbatical per fifty (50) faculty members, or major fraction thereof, per year. Awarding of such sabbatical shall be contingent upon the receipt of a meritorious proposal.

Applications for sabbaticals shall be submitted according to a deadline established by the Academic Vice President, but no later than December 1st of the fall semester of the year preceding the year for which the sabbatical is requested. The application shall include a plan of professional development to be pursued during the assignment and a statement of the anticipated value of the sabbatical to the faculty member and the College. Each College shall establish a committee to evaluate the sabbatical applications and make recommendations to the Academic Vice President. After consultation with the Academic Vice President, the President shall make final decisions on all applications. Faculty members will be notified in writing of the President's sabbatical decisions no later than February 1st.

Sabbatical assignment compensation may be set at full pay for one academic semester, one-half (1/2) pay for the academic year, or a lesser amount. Faculty members may avail themselves of fellowships, assistantships or other sources of limited means, to offset travel and displacement cost while on sabbatical; however, this Section shall not permit full-time employment while on sabbatical.

Faculty members on sabbatical will continue to receive the proportionate share of the College's contribution for applicable insurance and retirement plans. The remaining portion will be paid by the faculty member.

Within ninety (90) days following return from sabbatical, the faculty member shall submit to the Academic Vice President a written report summarizing the activities and results of the sabbatical assignment.

A recipient of a sabbatical assignment may, at the discretion of the President, be required to return to the College for a period of one (1) year or to immediately repay the salary and cost of benefits received from the College while on sabbatical.

Time on sabbatical shall count toward the time requirements for rank promotion.

Section 8.2 Leave of Absence

Faculty members who have been employed at the College for three (3) consecutive years shall be eligible to apply for a leave of absence for the purpose of research, education, travel, work at other institutions, or private business organizations, or engaging in other activities which will improve the faculty member professionally and be of benefit to the College. Such leave of absence is without pay. However, if the leave of absence is at the request of the College, and the faculty member has been employed at the College for four (4) consecutive years, such leave may be compensated with one-half (1/2) pay for one (1) academic year, full pay for one (1) semester, or a lesser amount by mutual agreement of the faculty member and the College.

The recipient of a paid leave of absence may, at the discretion of the President, be required to return to the College for a period of one (1) year or to immediately repay the salary and cost of benefits received while on the leave of absence.

Requests for leave of absence must be submitted according to a deadline established by the Academic Vice President, but no later than December 1 of the year preceding the year for which the leave is requested. Requests for a leave of absence without pay may be requested after the December 1 deadline if there are extenuating circumstances, such as receipt of a Fulbright award. Such leaves are limited to one (1) year but leave without pay may be extended one additional year by mutual agreement. Requests for extension must be received by February 1. Granting leaves of absence is at the discretion of the President, and is a non-grievable matter. Time on leave without pay does not count toward time requirements for tenure or rank promotion unless mutually agreed upon in writing by the faculty member and the President at the time of leave approval.

Faculty members on a paid leave of absence will continue to receive the proportionate share of the College's contribution for applicable insurance and retirement plans. The remaining portion will be paid by the faculty member.

Faculty members on an unpaid leave of absence may contribute to the retirement plan and participate in applicable insurance programs at their own expense.

Within ninety (90) days following return from a leave of absence, the faculty member shall submit to the Academic Vice President a written report summarizing

the activities and results of the leave.

Section 8.3 Professional Development Fund

The purpose of this Section is to encourage and support faculty development, leading to greater effectiveness of instruction. Nothing in this section shall be construed to restrict the Board's right to support additional activities for that purpose.

Each College shall provide a professional development fund to facilitate the broadest creative applications for instructional improvements. The professional development budget shall be funded annually at an amount no less than \$200 times the number of members in the SCEA bargaining unit.

Applications for use of such funds shall be reviewed by a faculty committee established by the Faculty Senate. The committee shall submit recommendations to the Academic Vice President and President for final decision and award.

Professional development activities which could be funded include, but are not limited to

- a) Attending, presiding, and/or presenting at professional meetings;
- b) Grants for research and study;
- c) Support for bringing faculty development consultants on-site in fields related to instructional programs;
- d) Support for development activities identified in faculty professional portfolios; and,
- e) Development of new distance learning courses.
- f) Tuition support for faculty members to take courses.

A report detailing activities and their impact on instruction shall be submitted by the faculty member to the appropriate committee responsible for funding and the Academic Vice President within ninety (90) days.

ARTICLE IX. GRIEVANCE PROCEDURE

Section 9.1 Limitations

The grievance procedure as set forth herein is designed to provide a prompt and efficient method for the resolution of grievances. The grievance procedure hereinafter set forth shall be the exclusive method for resolving grievances concerning the administration of this Agreement. Time limits provided herein should be adhered to unless modifications are agreed to in writing by the parties to the grievance. Failure of the College in any step to render a decision to the grievant within the maximum time limits shall automatically allow the grievant to proceed to the next step. Failure of the grievant to proceed to the next step within the maximum time limit shall be considered as termination of the grievance.

Section 9.2 Representation

A faculty member (grievant) shall have the right to have a SCEA representative participate in any step of the grievance procedure.

Section 9.3 Grievance Defined

A grievance is defined to be a dispute filed by a faculty member, a local chapter of the SCEA, or SCEA concerning the interpretation or application of this Agreement, or other terms and conditions of employment, and filed in accordance with the terms of this Article.

The parties jointly agree that the procedure for grieving decisions to terminate an appointment prior to its expiration is outlined in Article XVII, Dismissal, and is the exclusive method for resolving such grievances.

Section 9.4 Informal Grievance

Prior to the filing of a formal grievance hereunder, a faculty member shall discuss his or her dispute with the appropriate Dean or the administrator who made the decision at issue in an attempt to resolve the dispute. Similarly, representatives of SCEA may informally present and discuss the dispute on behalf of any faculty member or group of faculty members with the appropriate Dean or administrator who made the decision at issue. Any mutually acceptable disposition shall be reduced to writing, signed by the parties, and shall be binding on the parties as to the facts and circumstances giving rise to the dispute and the matters therein resolved. However, the written disposition shall not constitute a binding precedent in the disposition of other similar disputes that may subsequently thereafter arise.

Section 9.5 Formal Grievance

In reducing a grievance to writing, the following information must be stated with reasonable clarity:

- a) the exact nature of the grievance;
- b) the act or acts of commission or omission;
- c) the dates of the act or acts;
- d) the identity of the party or parties alleged to have caused the grievance;
- e) the specific provisions of the Agreement or policies that are alleged to have been violated; and
- f) the remedy that is sought.

Section 9.6 Procedure

A formal grievance shall be processed in the following manner:

- a) **Step 1.** A formal grievance shall be filed in writing with the Vice President for Academic Affairs within twenty (20) business days following the act or omission giving rise thereto, or the date on which the grievant knew, or reasonably should have known, of such act or omission if the date is later.

The Vice President for Academic Affairs has ten (10) business days after receipt of the grievance, or any extension provided for herein, to review the grievance. The Academic Vice President shall issue a determination in writing to the grievant and the SCEA within the ten (10) business day period. If the written determination refers to documents, copies of such documents shall be attached.

Upon the written request of either party to the other, an additional ten (10) business days extension shall be granted during which period efforts to resolve the grievance shall be made. Any mutually acceptable disposition at this stage shall be reduced to writing, signed by the parties, and shall be binding on the parties as to the facts and circumstances giving rise to the dispute and the matters therein resolved. However, the same shall not constitute a binding precedent in the disposition of other similar disputes that may subsequently arise. In the event the written decision refers to documents, copies of such documents shall be attached to the decision.

- b) **Step 2.** The grievant shall have five (5) business days from receipt of the Academic Vice President's determination to appeal by filing the grievance and all prior responses with the President.

Within ten (10) business days of receipt of the grievance appeal, the President shall submit the grievance to a "Grievance Advisory Committee" consisting of three (3) tenured faculty members chosen by the local SCEA President none of whom is a member of the grievant's department, and two (2) other persons chosen by the President, one of whom shall be a tenured faculty member who is not a member of the grievant's department, and the other either another tenured faculty member or an administrator.

The Grievance Advisory Committee shall hold a hearing within ten (10) business days after receipt of the grievance and shall admit and consider evidence submitted by the parties in the form of documents or the testimony of witnesses. The grievant shall have the right to attend all evidentiary proceedings of the committee, to present evidence, to examine documents, to question witnesses, and to

otherwise present any relevant argument or evidence. The grievant shall also have the right to assistance by counsel at the grievant's expense. The committee following its own procedures and in accordance with this Agreement shall submit a complete audio and video record of the hearing, copies of all exhibits, and the committee's findings and recommendations to the President, and grievant within ten (10) business days following the hearing. Any party who wishes to use a court reporter to take a verbatim transcript may do so at its own expense.

The President shall issue a written decision to the grievant within five (5) business days following receipt of the recommendation of the Grievance Advisory Committee.

- c) **Step 3.** The grievant shall have ten (10) business days from receipt of the President's decision to appeal that decision to the Chancellor. A copy of the grievance and all prior written recommendations and responses is to be provided. The Chancellor shall review and notify the grievant of his or her decision within fifteen (15) business days.

If the Chancellor's decision under this Step fails to satisfy the grievant, the grievant wishing to continue may seek relief under one of the following options:

- 1) applicable State or Federal laws; or,
- 2) by mutual agreement of the parties, pursue mediation.

Section 9.7 Reprisals

There shall be no reprisals taken against a faculty member for the filing of a grievance or participating as a witness in a grievance hearing.

ARTICLE X. WAGES

Section 10.1 Request for Budgetary Proposals

It is agreed that the Local Chapter SCEA President may submit information and ideas on budgetary matters to the President for consideration in setting the annual college budget request. Sick leave accrual shall begin the first day of employment, and unused sick leave may be accumulated up to and including one hundred-eighty (180) business days. The Board may require documentation to substantiate the legitimate use of sick leave. The Board shall remunerate currently employed faculty members replacing colleagues on sick leave for more than two (2) weeks at an overload pay rate, when the Academic Vice President considers such remuneration to be warranted and reasonable.

Sick leave is not intended as any earned time off with pay, and will not be granted as such. Unused sick leave will not be paid out at the end of employment. Faculty members who have separated from employment and return after a break in service shall not have prior sick leave balances reinstated.

Section 11.9 Reasons to Utilize Sick Leave

Sick leave may be used at the election of the faculty member during family and medical leave. Although faculty members may retain accrued, unused sick leave, such leave shall not accrue while on FMLA leave.

Requests for family and medical leave must be submitted to the Dean and Human Resource Director/AVP for approval. Appropriate medical certification or documentation may be required.

To the extent possible, thirty (30) days' notice will be given by the faculty member, and where possible, an effort will be made in the case of a faculty member to begin and end the leave to coincide with the beginning of academic semesters.

The Board agrees to continue to pay its portion of insurance premiums during the term of FMLA leave.

In the event both parents are eligible under this policy, the couple shall be entitled to a combined total of twelve (12) work weeks of leave for the birth and care of a newborn child, for placement of a child for adoption or foster care, and to care for a parent who has a serious health condition.

Although online courses have a single rate, a portion of the rate consists of fees. The remission provided for online courses will be 67% of the equivalent resident tuition rate for an on-campus course.

Remissions are subject to the following conditions:

- a. The immediate family member must be admitted as a student of the College and must have met all normal academic requirements for the courses taken.

Although online courses have a single rate, a portion of the rate consists of fees. The waiver provided for online courses will be based on the equivalent resident tuition rate for an on-campus course (beyond \$1.00). Tuition waiver under this provision will be limited to one course per term on a space available basis and such enrollment will not be counted toward minimums necessary for a course to be offered.

Section 11.13 Crisis Leave Donations

The Committee will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of ninety days (90) in a twelve (12) month period. To be eligible to receive donated leave, an employee must have been employed for one (1) academic year, had absences of at least thirty (30) days during the prior six (6) months and have exhausted all paid leave. **ARTICLE XVI.
PROMOTION AND TENURE**

Section 16.1 Procedure for Promotions

The criteria that shall be used to make promotion decisions are divided into two categories, Educational Criteria and Performance Criteria. Candidates for promotion in rank must qualify under both the Educational and Performance Criteria to be promoted. In order to be eligible to apply for promotion, a faculty member must first meet the minimum Educational Criteria as listed below. After a candidate has qualified under the minimum Educational Criteria, each candidate should provide evidence of achievement in the Performance Criteria as listed below. Once the minimum Educational Criteria have been met, promotion shall be based on consistent performance and substantial achievement as outlined in the Performance Criteria in 16.3.

Section 16.2 Educational and Service Criteria for Promotions

The Criteria to be used are as follows:

- a) Professor
 - 1) An earned Doctorate, or other appropriate terminal degree, in a discipline related to the area of the teaching assignment;
 - 2) Ten years of experience at the college level to include any credit which was agreed to in writing at the time of initial appointment; and,
 - 3) A minimum of five continuous years of service to the College at rank of Associate Professor.

For example, an applicant may apply for promotion to the professor rank in his or her tenth year of experience at the college level, and be awarded the promotion at the beginning of the eleventh year, assuming five (5) continuous years of service to the College has been completed prior to the award. (Continuous service includes periods of leave paid by the institution and temporary non-teaching assignments that a faculty member may be requested to perform.)

- b) Associate Professor
 - 1) An earned Doctorate, or other appropriate terminal degree, in a discipline related to the area of the teaching assignment;
 - 2) Five years of experience at the college level to include any credit which was agreed to in writing at the time of initial appointment.
- c) Assistant Professor
 - 1) A terminal degree in a discipline related to the area of the teaching assignment, or an earned Master's degree followed by thirty (30) semester hours of study applicable toward an advanced degree.
 - 2) Three years of experience at the college level to include any credit which was agreed to in writing at the time of initial appointment.

Criteria for Calculating Credit for Prior Experience

- a) For purposes of determining eligibility for promotion in rank, a year of experience at the college level may be credited for each full-time academic year teaching or research assignment completed at a regionally accredited institution of higher education. In addition, post-doctoral studies involving either teaching or research assignments at a regionally accredited institution of higher education will constitute relevant experience for purposes of promotion.
- b) Credit for promotion is to be granted at the discretion of the College in writing at the time of initial employment, up to a maximum of three

- (3) years of credit for prior experience.
- c) Part-time, adjunct, graduate assistant, summer, and high school teaching experience shall not count toward promotion in rank. Nor shall the candidate be allowed to aggregate any prior part-time college experiences to equal one (1) academic year.

Section 16.3 Performance Criteria for Promotions

Once the minimum Education, Experience, and Service criteria have been met, promotion shall be based on consistent performance and substantial achievement in the Performance Criteria described below.

The Performance Criteria to be used are as follows:

- a) Demonstrated ability to teach and contribute to students' academic growth and development, which may include, but are not limited to, the faculty member's:
 - i) knowledge of subject matter;
 - ii) effectiveness in communicating such knowledge;
 - iii) assisting students to think critically and creatively;
 - iv) encouraging continued study;

- a) Include provisions for peer review.
- b) Include provisions for student evaluation.
- c) Include the opportunity for faculty members to provide appropriate material to support the application.
- d) Include the appropriate administrative review and recommendations.
- e) State clearly that the Educational criteria for rank promotion are minimums only, and faculty members must provide evidence of achievement that also meets the Performance Criteria.
- f) Exclude candidates for promotion from service on a peer review committee or College Rank Promotion and Tenure Committee during their candidacy.

The rank promotion procedures at each College will be organized so that recommendations for tenure and promotion will be sent to the Academic Vice President no later than March 15th of each academic year. After consulting with the Academic Vice President and in consideration of the Rank Promotion and Tenure Committee recommendation, the President shall decide whether the faculty member's performance meets the standards set forth in Section 16.3 and 16.4.

The President shall inform the faculty member in writing by April 1st whether he or she has been promoted. Should the President not promote a faculty member, the President shall give the faculty member written reasons for his or her decision.

A copy of the rank promotion procedures will be maintained on file in each College Library and at the System Office.

A faculty member may only grieve the decision to deny rank promotion on the basis of discrimination or failure to follow procedures or promotion criteria outlined in this Agreement.

Section 16.5 Effective Date of Promotions

All promotions shall take effect the fall semester for the academic year immediately following the promotion.

Section 16.6 Award of Tenure

Each College shall have its own internal process for recommending tenure for approval to the President. The College Rank Promotion and Tenure Committee, a sub-committee of Faculty Senate, shall develop and recommend a process for approval by the President.

Tenure is the right to reappointment from appointment term to appointment term until such time as the faculty member resigns, retires, is dismissed for just cause, or is laid off during a reduction in force per Article XIV. Such reappointment shall be subject to the terms and conditions of employment which exists at the

commencement of each contract term. Those terms and conditions of employment are as expressly set forth in the policies adopted or authorized by the Board, and the terms and provisions of this Agreement.

Tenure is with the College and resides within a specific academic unit not with the Nebraska State College System.

Tenured faculty reassigned to another academic unit at the same College shall retain their tenure in the new academic unit.

Tenure to an academic unit is awarded by the President following a review process with recommendations submitted on March 15th by the Academic Vice President. Tenure review will include:

- a) peer review;
- b) Include provisions for student evaluation;
- c) appropriate administrative review and recommendations; and,
- d) the opportunity for the faculty member to provide appropriate material to support the application.

Candidates for tenure may not serve on a peer review committee or College Rank Promotion and Tenure Committee during their candidacy.

Tenure is awarded for quality of current professional performance and promise of such future performance, not merely for completing a certain length of service. It is equally incumbent on the faculty member and the College to ensure that tenure review occurs at the proper time. In no event shall the failure to give any notice constitute an award of continuous tenure by default. None of the provisions stated herein shall diminish any substantive rights for the acquisition of tenure which the faculty member may have acquired prior to the adoption of this Agreement.

Only faculty members who have the rank of Assistant Professor or higher and have obtained the appropriate terminal degree are eligible to apply for tenure.

Reappointment of faculty "Probationary/Tenure Track" appointees shall be at the discretion of the President. Written notice of non-renewal of a "Probationary/Tenure Track" appointee shall be in accordance with Article XVII.

The President, following peer review and recommendations by the College Rank Promotion and Tenure Committee, Dean and Academic Vice President, shall decide whether a faculty member's current professional performance and promise of such future performance, as outlined in Section 7.2, warrant the award of tenure.

The President shall notify the faculty member in writing by April 1st of the recommendations of the College Rank Promotion and Tenure Committee, Dean and Academic Vice President and whether or not he or she will be awarded tenure for the next academic year. Should the President decide not to award tenure to a faculty member, the President's written notification shall contain the reasons for

this decision and shall inform the faculty member that a terminal employment contract will be issued for the next academic year.

A faculty member may grieve the decision to deny tenure on the basis of discrimination, violation of academic freedom, or failure to follow procedures or tenure criteria outlined in this Agreement, or if such action is challenged as arbitrary or prejudged.

Grievance of denial of tenure shall begin at step 2, Section 9.6(b) and must be filed in writing to the President prior to April 15th.

Section 16.7 Service Requirements for Tenure Eligibility

Faculty members shall apply for tenure no later than the sixth (6th) year of full-time probationary employment. Faculty members may apply sooner if prior service credit was granted at the time of initial employment.

Following College review procedures and favorable recommendations including Presidential approval, tenure shall be awarded with the seventh (7th) appointment/employment contract.

Only in exceptional circumstances, such as, but not limited to, maternity or parental leave, family emergencies, or as an accommodation for faculty members with disabilities, may faculty members apply for tenure later than the sixth (6th) year of full-time probationary employment. Requests for extensions shall be submitted to the President at the time the exceptional circumstance occurs and is not grievable.

- a) Newly-hired faculty members who have served in a non-tenured rank position of Assistant Professor or above at regionally accredited institutions of higher education may be given up to three (3) years of prior service credit toward the probationary period of six (6) years. The prior service credit must be agreed to in writing at the time of initial tenure-track employment. Such faculty shall apply for tenure when the combined prior service credit and the years of continuous service to the College equals six (6) years.
- b) Newly-hired faculty members who have served the College in the position of Lecturer may be granted prior service credit equivalent to their actual time in service to the College, up to three (3) years of prior service credit toward the probationary period of six (6) years. The prior service credit must be agreed to in writing at the time of initial tenure-track employment. Such faculty may apply for tenure when the combined prior service credit and the years of continuous service to the College equals six (6) years.
- c) Newly-hired faculty members who have previously attained tenure at another regionally accredited institution of higher education may be granted up to four (4) years of full-time credit for the prior tenured service, or may be granted continuous tenured status by agreement

among the faculty member, the Academic Vice President and the President. Probationary credit for prior tenured service or continuing tenured status must be agreed to in writing between the faculty member and the President prior to the initial appointment at the institution.

When credit is given for prior tenured service, such credit will apply toward the six (6) year probationary period service requirement. In the event that four (4) years of credit for prior tenured service are granted, the faculty member shall apply for tenure during the second (2nd) year of probationary service to the institution with tenure to be awarded in this instance no sooner than the third (3rd) year of employment with the College.

Section 16.8 Terminal Contract for Failure to Achieve Tenure

When a faculty member fails to achieve tenure through the College review process, that faculty member will be issued a terminal employment contract for the following academic year.

Section 16.9 Tenure Recommendations

The President shall inform the Chancellor of his or her decisions regarding tenure applications and awards, and if the recommendations of the President and the Academic Vice President differ from the recommendations of the peer review committee, College Rank Promotion and Tenure Committee, or the Dean, the Chancellor shall be so informed.

Section 16.10 Tenure Standards

For a faculty member serving with a probationary/tenure track appointment, there shall be no substantive modification in the standards and procedures for granting of tenure from those outlined in written form at the time of initial employment.

Section 16.11 Initial Contracts

Initial employment contracts for faculty members will specify if the appointment is tenure track or non-tenure track, and if the appointment is tenure track, any special or unique requirements for the award of tenure that are not specified in this Agreement.
