IMPORTANT INFORMATION:

NSEA membership is an annual membership beginning September 1 each year and ending on August 31 of the following year. Members have the option to pay in full via check or credit card at the beginning of the association year or make 10 payments from October – July using Electronic Funds Transfer (EFT).

Note to your members, if they do not let you know otherwise, we assume they are continuing their membership (as per their membership agreement).

Fund for Children and Public Education (NEA-FCPE): If a member has authorized a contribution, the amount is already noted on the roster. If the amount needs to be added or edited, just write the updated amount on the roster. More detailed information can be found at www.neafund.org.

Banking information for members who pay their dues by **EFT (10 payments, October through July)** will continue as is and they do not need to enter their banking information again. If members need to update their banking information or would like to switch their pay method to EFT from check/credit card they can do so at the secure website: www.nsea.org/members. Click on “Pay by Electronic Funds Transfer (EFT).” Members may also contact the NSEA Membership/Accounting Office to make a change.

Check and credit card payees will pay their **dues in full by September 10**. A reminder e-mail will be sent from NSEA to the member in August to make the payment.

INSTRUCTIONS FOR ENROLLING NEW MEMBERS

The potential member(s) should complete the New Member Agreement (enclosed) including signing and dating the form on the bottom. A lot of NSEA communication is done electronically so we would like to collect both home and school e-mail.

Note: If a member transferred to your local from another local, they must fill out a New Member Agreement.

INSTRUCTIONS FOR CANCELLING MEMBERS

Reminder: NSEA membership is an annual membership beginning September 1 each year and ending on August 31 of the following year.

Authorization must be received from a local officer to make any changes to a member’s status. The local officer can e-mail membership@nsea.org to make these changes.

If a member contacts the Nebraska State Education Association (NSEA) to make changes in their membership or cancel their membership, the NSEA will direct that member back to the local association president. NSEA will not make changes to a member’s status unless we have approval from a local association officer.

If a member should contact the local association to cancel their membership, we highly recommend that locals adhere to their bylaws regarding any cancellation windows.

If you have questions or need additional materials, contact your Organizational Specialist or the NSEA Membership Department at 1-800-742-0047 or by e-mail at membership@nsea.org.
